

FEDERAL FARM CREDIT BANKS

FUNDING CORPORATION

Karen Brenner
Managing Director - Financial Management Division

Ms. Brenner has been with the Farm Credit System for 22 years. Prior to assuming the role as Managing Director of the Financial Management Division in March 2013, she served as the Senior Vice President – System Accounting and Financial Reporting.

Ms. Brenner's responsibilities include the preparation and dissemination of the annual and quarterly financial reports of the System, management of the System financial disclosure program, oversight of certain intra-System financial agreements and oversight of the System's internal control assessment and attestation process. In addition, she is the chairperson of the System's Accounting Standards Work Group and System Disclosure Committee. She also provides the primary support for the System Audit Committee.

Prior to joining Farm Credit, she was an auditor with Ernst & Young in New York City, New York for approximately five years. Karen graduated from Bentley University with a Bachelor of Science in Accounting.
